**Subject:** FW: Wheel weights petition

Maria,

I hope all is well.

Got a minute in the next couple of weeks to discuss lead wheel weights?

Tom

Tom, apparently Maria Doa is the best source of information on this project, so why don't you send her an email or give her a call? I'm afraid I don't know anything about it.

Cindy,

Any news on wheel weights? It looks like it has been under regulatory investigation since 2009.
